

## Notice of Resource Recovery Rate Change

The San Marcos City Council is considering an Ordinance that will increase Resource Recovery rates for single family solid waste, recycling and green waste curbside service; multi-family recycling; and other programs related to solid waste service and landfill diversion. Required readings will take place during the City Council meetings of **September 06, 2022**, and **September 20, 2022**. If approved, the rate increases will apply to all bill dates on or after October 1st. The proposed rate increase is listed below and applies to all City of San Marcos Resource Recovery utility customers.
