## Traffic Update

*Projects affecting San Marcos traffic October 16 - 22, 2016*

Online: [sanmarcostx.gov/traffic](http://sanmarcostx.gov/traffic)

**WOODS ST:** A segment of Woods St between Comanche and North Street will be closed during construction of the new Texas State University Engineering & Science Building until August 2018. Project Manager Scott Rouse, 512.245.2202.

**LOOP 82/AQUARENA SPRINGS:** Contractors will be working on the Loop 82/Aquarena Springs railroad overpass to shift traffic lanes to the north side of the roadway to allow construction of retaining walls, foundations and substructure. Four traffic lanes will remain open. Laurel Lane, on the north side of the roadway, and the driveways on the south side, entering the Texas State stadium parking lot will become a right in and right out only configuration. Post Road will not be affected with this lane shift. This lane shift will remain through mid-October. City of San Marcos Engineering Dept., 512.393.8130

**AQUARENA DR. @ POST RD:** The Livestrong Bike Challenge will take place on Oct. 16 from 9 a.m. – 2 p.m. The Challenge will begin in Austin, and the riders will be making their way through the city. There are no street closures. Be aware of all cyclists on the roads and use cyclist safety and motor awareness. Dan Carroll, 512.917.3579

**GUADALUPE/HOPKINS:** The intersection of Guadalupe at Hopkins will have a temporary one lane closure for street survey on Wednesday, Oct. 19 from 6 – 7 p.m. City of San Marcos Transportation Dept., 512.393.8036

**JACKSON LANE:** A mill and overlay project will begin on Jackson Lane on Oct. 5 from 8 a.m. – 5 p.m. daily, weather permitting, for the exception of Saturday and Sunday. Please obey construction warning signs and flaggers and be observant of heavy equipment and workers on the street. The project will last 4 to 6 weeks, weather permitting. City of San Marcos Streets Dept., 512.393.8025

**WARDEN/ZUNKER:** A mill and overlay project will begin on Warden and Zunker St. on Oct. 5 from 8 a.m. – 5 p.m. daily, weather permitting, for the exception of Saturday and Sunday. Please obey construction warning signs and flaggers and be observant of heavy equipment and workers on the street. The project will last 4 to 6 weeks, weather permitting.
