

# Grilling Fire Safety

Stay fire safe this summer! Follow these grilling safety tips.

Only use your grill outside. Keep it at least 3 feet from siding, deck rails and eaves.

Clean your grill after each use. This will remove grease that can start a fire.

Open your gas grill before lighting.

Keep a 3-foot safe zone around your grill. This will keep kids and pets safe.

Place the coals from your grill in a metal can with a lid once they have cooled.

Keep an eye on your grill, fire pit or patio torches. Don't walk away from them when they are lit.
